In response to the spring survey, we have made improvements to our policies and programming schedules. You may have already enjoyed longer loan periods, lower overdue fines, or the newly implemented automatic renewal feature. Perhaps you realized with Overdrive, Freegal, online databases like Rosetta Stone, and our new streaming services HOOPLA and KANOPY, content is available to you 24/7! Some Tappan residents have told us they have been locked out of programs with participant limits. To help, we will now be offering exclusive Tappan cardholders/residents registration for a few days prior to opening programs up to the general public. We hope this will make it easier for you to attend the programs you want without difficulties. Because you asked, we added more programs on the weekends and afternoons to fit your schedules, so we hope to see you here! We will continue to listen and respond to your needs.

Remember, September is Library Card Sign-Up Month, so make sure you're a card-carrying member!
